If your family is impacted by any of the following, then at Speech Pathology Associates, “We Speak Your Language!”

Autism/Aspergers Syndrome

Cleft Palate

Articulation

Stuttering

Social Skills

Language Delays

Apraxia

At Speech Pathology Associates, we believe in getting to the “heart” of communication. We have been providing speech and language services to the Orange County community for 25 years. We offer a wide range of services for infants, toddlers, school-aged children and adults. Our goal is to build bridges to successful communication.
